## Welcome to Falls Church Foot and Ankle Center

Thank you for selecting our office for your foot and ankle health care needs. We have prepared this packet of information and patient forms in order to help make your visit a convenient and pleasant experience. Prior to your appointment, please contact your insurance company to clarify your coverage requirements.

### **When you come for your appointment, please bring the following:**

- √ Written Referral (If required by your insurance company)
- √ Completed History Form
- √ Completed and Signed Financial Policy Form
- √ Medical Insurance card and ID card (Drivers License, etc)
- √ Previous x-rays and medical records, if applicable
- √ Shoes: bring a sample of the more common shoes you wear

### **Please be prepared to pay for the following at the time of your visit:**

- √ Co-Payment (if applicable)
- √ Office supplies not covered by your insurance
- √ If no insurance, the full cost of visit

Our staff is here to help you in whatever manner we can. We look forward to providing you with a friendly smile and excellent health care.

As a courtesy to other patients who are waiting to see the doctor. Please call at least 24 hours in advance if you must cancel your appointment. We reserve the right to charge for missed appointments.
